OVERVIEW

Elina Gilbert has practiced community association law for 24 years with Altitude Community Law, PC., with an emphasis on transactional issues such as insurance, document amendments, and real estate matters.

Elina has overseen the Altitude Community Education (“ACE”) program for over 17 years, a critical part of the firm’s mission statement and overall brand. Overseeing ACE involves creation, preparation, and presentation of 25+ programs per year, including manager and board member webinars that provide managers with CMCA credits. She also heads up the firm’s monthly E-Newsletter, which is nationally circulated. Elina is a frequent speaker on both a local and national level, which includes CAI Law Seminars, attorney courses through the National Business Institute, national webinars through HOALeader.com, and state classes and webinars through ACE and local CAI Chapters.

Elina was inducted into the College of Community Association Lawyers (“CCAL”) in 2010, which represents an elite group of attorneys determined to be the most qualified experts in the HOA industry. Elina served as co-chair of the CCAL Law Seminar Planning Committee between 2018 and 2021, which developed and created the annual Law Seminar for HOA attorneys around the country, and currently serves on the CCAL Board of Governors.
